

Strawberry Rose Relaxer Mocktail

MAKES 3 SERVINGS

INGREDIENTS:

- RECESS STRAWBERRY ROSE MOOD
- STRAWBERRY RIMMING SUGAR
- ICE

GARNISH:

- A HANDFUL OF DRIED STRAWBERRIES
- A SQUEEZE OF LEMON JUICE (OPTIONAL, BUT RECOMMENDED FOR A ZESTY POP)

METHOD:

1. PREP THE RIM: RUN A WEDGE OF LEMON (OR WATER) ALONG THE RIM OF YOUR FAVORITE GLASS. DIP THE RIM INTO RIMMING SUGAR AND GENTLY TWIST TO COAT IT.
2. ADD ICE CUBES INTO GLASS
3. ASSEMBLE: POUR RECESS MOOD INTO THE GLASS. TAKE A MOMENT TO WATCH THOSE BUBBLES.
4. TOP THINGS OFF WITH A DRIED STRAWBERRIES. THEY'RE LIKE TINY EDIBLE WORKS OF ART—AND YES, THEY'LL MAKE YOUR MOCKTAIL INSTAGRAM-READY.

Take your first sip and let the fizzy, slightly floral sweetness transport you. The strawberries wrap you in their fruity charm, while the soft rose whispers “take it easy.”
